BAD START IN NATIONAL AVIATION CIRCUIT RACE

Only One out of Seven Contestants Completes First Stage.

Berlin, Jane 11 .- The national aviation circuit race, for which there are 24 entries, was somewhat marred to-day by unfavorable weather condi-tions. Seven of the contestants startday by unfavorable weather conditions. Seven of the contestant, started early this morning from the aerodrome at Johannisthal, but only one succeeded in finishing the first stage of the journey which ended at Magdeburg, about 78 miles from Berlin.

Two abserted thousand persons with pessed the start and the only accident was the burning up of one of the aeroplanes. Lindpainter was the first of the aviators to ascend and he reached Magdeburg before the gale broke. The six others who started are scattered along the route, having been forced to land. All of them reached the ground with difficulty.

The monoplane piloted by Thelen turned completely over when it land.

ed throwing Thelen and his passenger some distance, but they were unin-jured. Five of the aviators jured. Five of the aviators, includ-ing Lindpainter, carried passengers. It is expected that the other en-It is expected that the other entrants will start tomorrow on the circuit race, which will cover a total distance of 1.164 miles. The prizes for this event amount to \$100,000, including \$1,000 offered by the Prussian ministry which also will purchase the machine which wins the race. The race will end at Berlin and the competitors will truch at the following cities, in the order given: Madgeburg, Schwerin, Hamburg, Klei, Luennenburg, Hanover, Muenster, Cologne, Dortmund, Nordhausen and Halberstadt.

over, Muenster, Cologne, D. Nordhausen and Halberstadt, TO OPPOSE SOCIALISTS. Federation of German Catholic Socie

ties Will Begin Campaign in Tor-

clemens Freeliger, Benjamin Grimm and Stephen Meyerjack have returned from New Haven, where they attended from New Haven, where they attended the 24th ai nual meeting of the State Federation of German Catholic socie-ties, says the Torrington Register. Mr. Froeliger was elected a member of the agitation committee. The other mem-bers of this committee are George Jacobs of New Haven, William Siefen of Naugatuck. John Guerdel of Meri-den and Julius Wendt of Wallingford. One of the purposes of the agitation den and Julius Wendt of Wallingford. One of the purposes of the agitation committee is to prevent the spread of socialism among the Germans, especially the Roman Catholic Germans. At the convention in New Haven, in speaking on the subject of socialism, Joseph Frey, president of the New York State federation, said: "I believe that the sound sense of the American people will overcome the dangerous socialist party as it overcame the know-nothing party, the A. P. A., and secession and slavery—through Christian teaching and through social evolutian teaching and through social evolu-tion. I believe this because I have faith in you as American citizens. N matter what concessions may be made to the socialists, they will not lose sight of the fact, neither must we lose sight of the fact, that they are revolutionists and would abolish the family, the home and the state."

the home and the state."

Mr. Froeliger said that the organization would begin a strenuous campaign against the socialist party in Torrington. Anti-socialist literature will be distributed and mass meetings held. It is expected that prominent speakers will be engaged to deliver addresses there.

The officers which were elected at

addresses there.

The officers which were elected at the convention are as follows: Adam F. Licktelg of New Haven, president; Martin Lemke of Meriden, first vice president; George R. Baehr of New Haven, second vice president; Joseph Derhacker of New Haven, secretary; Karl Felder of Hartford, treasurer! Rev. Joseph A. Schaele of New Haven, spiritual adviser.

CLERKS' HOLIDAY.

Be Taken at Bridgeport to Secure Real Sentiment.

The retail clerks of the city who de-sire a half-holiday instead of the five o'cleck closing time are preparing a set of cards for distribution in the center of the city to get an expression of sentiment from the clerks affected upon the matter. A committee of five was selected to distribute the cards, which are arranged in such a way that the preference of the recipier of they will afterward be collected. The votes will be counted a week later. This method, it is thought, will settle the matter of the preferences of the clerks satisfactorily to all concerned.
